All above Hydrangeas, 20c each; 3 for 50c; 6 for 95c.

HARDY CRIMSON HIBISCUS

Immense striking deep crimson flowers, nothing with as much merit has been introduced in recent years. Price, 20c.

DECORATIVE FERNS

ALL FERNS ARE POT GROWN

WHITMANII (Ostrich Plume Fern)—More of a dwarf than the Boston Fern. The fronds are of entirely different nature. Each frond is subdivided on the order of the Compacta Fern, thus producing a very beautiful effect. Its decorative ability is excellent. Price, 15c.

SPLENDIDA—"The Big Four Fern"—A decided novelty. It combines the good qualities of the four most popular sort—the grace of the Boston, wavy effect of Roosevelt, fluffy effect of Ostrich Plume, and the uniqueness of the Fish Tail. Price, 15c.

NORWOOD FERN—(Fluffy Ruffles)—A dwarf compact fern similar to the Ostrich Plume, carrying its fronds erect. Makes an ideal specimen. A favorite of mine. Good plants, at 15c each.

NEPHROLEPIS SPARROWII FERN—We are glad to offer our customers this new variety. Quite robust, rapid and easy grower; can be grown with success by the amateur; dark green foliage, beautiful crested fronds. Price, 15c.

FEATHER FERN—(Asparagus Sprengeri)—The plants are rapid growth, growing freely all year, producing large sprays. Fine for window boxes or hanging baskets. A fine house plant. Foliage used for cut flower work or in bouquets. Keeps fresh a long time. Price, 15c.

BOSTON FERNS—An old stand-by that is hard to beat. Has long, graceful drooping fronds. Grows very large and is very popular. Price, 10c.

COMPACT SWORD FERN—Resembles the Boston, only more dwarf and more erect and darker shade of green, gracefully arched. A good house plant. Price, 15c.

TEDDY JUNIOR—New dwarf fern, said to produce nearly four times as many fronds as any other fern introduced; fronds are broad and tapered from base to top. Price, 15c each.

CHOICE GERANIUMS

LARGE DOUBLE

Price, 15c each; 2 for 25c; six for 70c; Dozen, \$1.25.

Assort as you like. Postpaid.

All Pot Grown. Postpaid.

IRVINGTON BEAUTY—Every branch producing an immense truss of rosy, salmon-pink bloom. A four inch pot plant often showing five to seven large perfect trusses. It is just as fine for bedding as for pot culture and the most persistent bloomer in the Geranium family.

SCARLET BEDDER—A free bloomer. One of the best Scarlet you will find. A real outstanding geranium.

FIAT—Semi-double, salmon pink. Flowers are perfect and plant healthy and attractive.

LANDRY—Distinct salmon, pink shading to scarlet; enormous blooms. Will stand extreme heat.

RADIO RED—Darkest and richest Geranium grown. It is a very bright dark, deep, rich velvety maroon, an excellent bedder and a perfect pot plant.

DUKE DE MONTMART—This is nearest to the blue geranium. It is more strictly speaking a rich purple; a striking color.

ALPHONSOE RICCARD—A most beautiful shade of bright vermillion, large flowers and enormous trusses a grand variety.

AMERICAN BEAUTY—Flowers light red color; large and double; fine for pots or bedding.

S. A. NUTT—(Queen of Crimson)—Said to be the best dark red bedder; a great bloomer; double. A great favorite.

BEAUTE POITEVINE—A beautiful variety, with large double flowers of a bright salmon pink; very fine.

BUCHNER—Plants bushy, large flowers; pure white, fine for pot or bedding.

JEAN OBERLE—One of the most beautiful among the colors; known as peach or hydranea pink. Plants strong and free bloomers.

JEAN VIAUD—Among the best large flowering double pink geraniums, color deep pink, shading near the base of petals to light pink.

HELEN MITCHELL—Clear, brilliant, scarlet, one among the best.

THE ABOVE ARE ALL DOUBLE

IVY-LEAVED GERANIUMS—Very fine for baskets, either trailing or climbing. Color, pink, white, red, lavender and cerise. State color wanted.

STRAWBERRY GERANIUMS—Leaves nearly round and striped freely with silver bands. Blooms white. Easily grown. Does well in sun or shade. Does not resemble the Geranium. 10c each; 3 for 25c; fine for baskets.

SWEET SCENTED GERANIUMS—Nutmeg, lemon and rose are three different varieties. 15c each or two for 25c.

CHRYSANTHEMUMS

PRICES—On all the following, 15c each; two for 25c; dozen for \$1.25.

OCTOBER FLOWERING

HONEY DEW—Canary¹ yellow of shining satin-like finish, large round and smooth; 3 1-2 feet good stem and handsome foliage.

BETSY ROSS—Large, pure white. A very popular variety. Sure to please. One of the largest white for exhibiting at fall shows.

CHIEFTIAN—A beautiful incurving pink of perfect shape. Perhaps the finest incurved pink commercial variety in cultivation today.

WHITE CHIEFTIAN—An ideal incurved white. Fine for cut flowers. We are sure you will be pleased with this beauty.

ENCHANTRESS—The color is bright rose-pink of an even shade.

JOSEPHINE FOLEY—One of the best incurved whites introduced in recent years. Strong in growth and stem. It holds in fine condition for a long time.

MID-SEASON FLOWERING

BLACK HAWKS—Dark and velvety. Very large and hold in fine condition for a long period of time. If you like red, this will be sure to please you.

WILLIAM TURNER—This is an incurved variety very large and pure white blooms. One that everyone loves.

YELLOW WILLIAM TURNER—One of the brightest yellow Chrysanthemums; a standard variety.

GLADYS PEARSON—New shade for Thanksgiving use, maturing November 20 to 25. The upper surface of the petals is apricot and the reverse buff, which illuminates under artificial light to bright orange.

OLD ROSE—A pleasing shade of deep pink. Pink varieties are not very plentiful, and this is a new welcome addition to the list. Blooms about November 1.

ELBERON—Bright pink, finest incurved form. Beautiful foliage and good stem; easy to manage.

GOLDEN ELBERON—Identical with pink Elberon in every respect except in color, which is yellow and is equally useful.

DECEMBER FLOWERING

EDWIN SEIDWETZ—A most beautiful and rich incurved pink. One that you will surely like.

NAGAYA—Bright yellow. Can be grown for Thanksgiving or early December. A very popular Chrysanthemum.

HARDY OUTDOOR

Many "Mum" loving friends ask us for hardy varieties of Chrysanthemums that will live outdoors all winter. To those of our friends who want hardy "Mum," we heartedly recommend this collection. They are quite hardy, and include a beautiful and wide range of colors.

EARLY BRONZE—This variety is liked by everyone. Good for cut flowers.

CAPTAIN COOK—One of the most beautiful rose pink you will find anywhere. Not even a tint of lavender. Absolutely rose pink.

ILLONA—Rose lavender. Stiff and upright growth.

BOUGAINVILLEA

CRIMSON LAKE—Its numerous clustered, crinkly, paper-like bells in their emerald setting are an incomparable brilliant crimson-lake color. Their foliage is attractive in form, and shiny; the entire effect of leaf, twiggy growth and luxuriant bloom giving them an air of tropic elegance unequaled by any other indoor vine. Their bright festoons are wonderfully effective along the walls in conservatories and sunrooms. Price, 25c each.

SANSEVIERIA ZEYLANICA (Zebra, Snake or Tiger Plant)

Just the plant to grow in sunless windows; dark or heated rooms; will stand almost any amount of neglect, yet hold its thick, fleshy green clouded and sword-like leaves in the graceful position. 15c each; 2 for 25c.

GOLDEN STRIPED—(*Sansevieria Laurenti*)—New, rare, decorative plant. This variety in addition to having the green variegations of the ordinary sort has a band of creamy-white on the outer edges of the leaves. Very distinctive and ornamental. Strong plants. Price, 25c.

LACE FERN—(*Asparagus Plumosus*)—Graceful bright green leaves of delicate form and unusual beauty. A fine house plant. Thrives under all conditions. The foliage cut and put in water will hold its shape and color for weeks. Price, 15c each.

DAHLIA BULBS

Spade or plow the ground to a depth of 10 inches or more; use a liberal amount of well rooted manure; lay bulbs flat and cover to a depth of about five inches; space each way three or four feet. Stake when one foot above ground. Cultivate well.

ALL DAHLIAS POSTPAID

BASHFUL GIANT—Decorative; if you like large blooms try this one. Color, apricot with golden shadings. Sure to please. 30c each; 3 for 75c.

CALADIUM ESCULENTUM

ELEPHANT EARS—A most effective plant for the flower border or for planting upon the lawn. To obtain the best results should be planted in rich soil, well supplied with water. Bulbs will grow nice plants first season. 10c, 15c and 20c each, according to size.

ALOCASIA ILLUSTRIS (Blue Stemmed Elephant's Ears)—An excellent plant to grow in connection with fancy leaved Caladium, or for planting in the open. The foliage is dark green, blue stems. Fine pot grown plants, 20c each; 2 for 35c.

CALADIUM ARBOREUM (Upright Leaf Caladium)—This fine plant, when young, resembles the elephant's ear, but grows to an immense size as it attains age. Instead of dying down in the fall this grows into a stem or trunk, which retains the foliage through the winter if kept in a warm room. Or you may let the tops die down and store from frost. Plants well cared for will grow to be 8 or 10 feet high. Bulbs, 35c.

FANCY LEAVED CALADIUMS—They are the most charming conservatory plants. Being of a tropical nature, they like a warm temperature. Their beautiful foliage is variegated in an indescribable manner. One plant will be dotted, another ribbed and veined with pink or scarlet or yellow. Some give a Japanese effect. Has to be seen to be appreciated. They create a sensation wherever grown. Good bulbs, 20c each; 2 for 35c; 6 for 95c.

HELIOTROPES

Very fragrant, a fine bedder in summer; also a good pot plant for winter use and a great bloomer. Price, 10c each; 3 for 25c. Pot grown.

HOLLYHOCK

Double—Long spikes of short-stemmed rose flowers are well suited to plant against the wall or fence or in the background of a hardy perennial border. Four best colors, yellow, crimson, maroon, and pink. Price, 15c each; 2 for 25c. Dozen, \$1.40.

FOXGLOVE—DIGITALIS

The strong flower-stalks—frequently four to six feet high—rising from rich and luxuriant masses of leaves, always given an elegant appearance to the hardy border. Mixed colors. 15c each; 3 for 40c.

SWEET WILLIAM

A well-known attractive, free-flowering hardy perennial, producing in early summer a splendid effect in beds and borders, with their rich and varied flowers. 12 to 18 inches. Mixed, containing all colors. 15c each; 4 for 50c; 12 for \$1.25.

RIBBON GRASS

Beautiful striped; low growing; fine for borders. Price, 15c.
